To

Sir Mirza Muhammad Ismail, Kt., O.B.E., C.I.E

Dewan of Mysore, Bangalore,

(Camp) Mysore.

Honoured Sir,

In deference to the earnest wishes of my sincere friends, I have resolved to put up a decent building for a Veterinary Dispensary at Saligrama as per type design approved by Government to commemorate the happy return of our saintly Highness and the illustrious Dewan of Mysore from their European tour.

As your honour is aware, ~~that~~ Saligrama is a very important rural centre and, I am told that this would be an ideal donation judging from the present needs of this business centre. Hence, if your honour approves my humble idea, I propose to construct the building within three months as I have got all the materials ready for the same.

A maternity home is about to come into being under your wise and mature direction shortly and a Veterinary dispensary for the treatment of the Dumb animals would be a suitable addition Sir in my humble opinion if your honour approves the idea.

May I therefore request your honoured Sir, to be gracious enough to grant a decent site for the erection of the Veterinary hospital and to lay the foundation-stone some time next month at any convenient date that suits your honour.

Before concluding, we beg to tender our heart-felt gratitude to you Sir, for having granted

Information as to whether there is urgent need for the opening of a veterinary dispensary at Saligram may be ascertained from the Director of Agriculture. Merely on the ground that a private gentleman has agreed to construct a building for the purpose, it is not desirable to incur extra recurring expenditure, unless the latter is considered urgently necessary.

17

Sanct is not proposed merely on this ground. Saligrama is a big place where is need for a Disp y Asst. Also there is offer of donation - cannot be unnecessary to ascertain the Dir. of Ag.

opening a dispensary at Saligrama may be considered after locating a dispensary at Nanjangud. As Mr. Padmanaiah has come forward to construct a building at his own cost and the Municipality have granted a free site thereof & agreed to meet their portion of the cost, Saligrama may be preferred to Nanjangud. In this case, the provision proposed to be made for Nanjangud in the budget of the Board may be utilised for the dispensary at Saligrama. Sir,

Subj. :- Re: opening of Veterinary Dispensary at Saligrama.

With reference to the D.O. letter No.3377/23-11-36, regarding the above subject, I have the honour to state that on receipt of letter No.D.2868/C.V.29-36-2 dated 29-10-36, regarding the erection of Veterinary Dispensary at Saligrama by one Mr. Padmarajaiah, a reference was made to the Deputy Commissioner, Mysore, to furnish certain information with regard to grant of free site to the Gentleman etc., copy of my letter to him is enclosed.

Copy of Mr. Ramaiyer's Letter No.D.3-971/36-37 dated 19-11-36 to you is sent to me for information in which action taken in the matter has been indicated.

According to Government Order No.D.8335-52 C.V.41-27-2 dated 9-2-28 every year a certain number of Dispensaries are to be opened, of course, according to the degree of urgency till all the Taluk Head-quarters are provided with Veterinary Dispensaries and to these the District Boards concerned should find funds. In view of this the Superintendent, Civil Veterinary Department, had been asked to consult the District Board in the matter. The copy of the reply received from the President, District Board, Mysore, is enclosed herewith, from which it is seen that the District Board is not prepared to pay its quota for this dispensary now. In these circumstances, I think, Saligrama should wait for its turn, unless Government are prepared to bear the District

Letter No.C.503/36-37 dated 14/17th November 1936, from the President, District Board, Mysore, to the Superintendent, Civil Veterinary Department, Bangalore.

With reference to your letter No.H.A.66-163 dated 10th September 1936, H.A.93-219 dated 22nd October 1936 and H.A.253-641 dated 1st September 1936 proposing the opening of Veterinary Dispensaries at Saligrama, Mirle and Agara-mamballi, I have the honour to state that the matter was placed before the Board at their meeting held on 8th October 1936 when it was resolved that the question may be considered after locating a Dispensary at Nanjangud as per previous programme. Copies of the resolutions of the District Board are enclosed for your reference. This resolution holds good in respect of Agaramam-balli also.

This office D.O. letter No.6/36-37, dated 2nd November 1936, from (Camp) Mysore, to the Deputy Commissioner, Mysore.

One Mr. Padmarajiah of Saligrama has petitioned the Dewan for the grant of a site to construct a Veterinary Hospital at Saligrama and requested him to lay the foundation stone also some time this month.

I request you to kindly let me know if a free site can be granted to him for the purpose, and also if it is desirable to open a Veterinary Hospital at Saligrama while all Taluk Head Quarters are not yet provided with one.

In his petition, he says that he is prepared to construct a building of the type design approved by Government. Such a building may cost over Rs.8000/-, and it may also be kindly ascertained if the gentleman is prepared to spend that amount.

Besides, the views of the Municipality and the District Board have also to be ascertained as to their contribution towards -- starting and running the Veterinary Hospital.

As Government want a reply from me before the 15th instant as to action taken,. I request you to kindly treat this matter as urgent.

RECEIVED

DEVELOPMENT BRANCH

To

Amin-ul-Mulk
Sir Mirza M. Ismail, K.C.I.E.,
Dewan of Mysore,
Bangalore.

Honoured Sir,

In obedience to your very kind instructions given to us personally on the 19th October 1936, we have resolved to put up a decent building for a Veterinary - Dispensary as per type design approved by Government to commemorate the happy return of our saintly Highness and the illustrious Dewan of Mysore from their European tour.

Your Honour was good enough to appreciate our - humble idea and write to the Deputy Commissioner, Mysore, to make arrangements for a decent site to erect the - building. Accordingly, a site has been allotted by the local Municipality.

Now, the President, District Board, Mysore, states in his letter No. C.503/36-37 dated 14/17th November 1936 that Saligrama has to wait for its turn after the location of a dispensary at Nanjangud. So, the question has naturally to lie over till such time as the District - Board agree to pay their quota of the initial and maintenance charges. We are prepared to put up the building within three months and we have got all the materials - ready on hand. But, unfortunately, there is this - obstacle in the way of the fruition of the scheme.

May we, therefore, appeal to Your Honour to be - gracious enough to see that we are afforded proper facilities from the Government and the District Board to - translate the noble idea into action--an idea which Your Honour was good enough to approve and appreciate two - months back.

In this connection, we really do not know, Sir, how

to

to thank Your Honour for the indefatigable energy and enthusiasm which have characterised you right through and through which alone our State is studded with such philanthropical institutions like the - Maternity Home, Veterinary Dispensary etc. We are only anxious that what we promised before Your - Honour to commemorate the happy return of our Highness and the Dewan should not be delayed unnecessarily and hence we pray for your mature guidance.

As you are aware, Sir, Saligrama is as good as a Taluk Headquarter having a population of about 5,000. You admired the idea, Sir, that it would be an ideal donation judging from the present needs of this business centre: accordingly, we have come forward in obedience to your noble call; and now, we look forward to you, Sir, to be so good as to see that what we began in the name of His Highness and the - Dewan is translated into action, as early as practicable, with your usual sympathetic spirit and solicitude for the welfare of your subjects.

We beg to remain,
Honoured Sir,

Honoured Sir,

I beg to bring to your kind consideration the fact that we promised before the Dewan Saheb on the 19th October 1936 to put up a decent building for the location of a Veterinary Dispensary at Saligrama to commemorate the happy return of our saintly Highness and the illustrious Dewan of Mysore from their European tour. The Deputy Commissioner has been good enough to make arrangements for a decent site for the erection of the aforesaid Dispensary. Sir,

On the 28th November 1936 I presented a petition to Your Honour through my second son B.P.Jinarajaiah Saraf, praying for gracious help of Government for opening a Veterinary dispensary at Saligrama, my native place in Krishnarajanagar Taluk Mysore District and I beg to request that Government may kindly be pleased to render nessasary help at a very early date for this philonthropic purpose.

The municipal council of Saligrama has agreed to bear its quota of annual cost of the dispensary in October 1936 alone and has also granted a free site for its location and recently the District Board of Mysore have been good enough to sanction their quota of annual expenditure through a resolutio passed at their meeting held on the 20th January 1937. I am one of those who believe that charitable works should be brought to a finish as early as possible and with this in view I have collected materials for all the set of buildings required for the dispensary and am prepared to hand over the building after completion, before rains commence.

I am getting advanced in age and feeble in health and I am very eager to see that a veterinary dispensary for my place before my eyes, and therefore I beg to pray Government may accord their kind sanction by grant of their contribution towards the annual maintenance of the dispensary. Very early.
